

Bashas'® Family of Stores

Edward N. Basha III
President and CEO

Valued Customers & Friends,

These last few weeks have been trying for us all. We are all stressed and many are nervous about what the future holds. During all of this, there is one thing I know for sure. Bashas' Family of Stores will remain open, we will continue stocking our shelves, will continue cleaning and sanitizing our stores to protect you and our store members. We are and will continue to work around the clock to ensure you have fresh food to feed your families. And we will do as much as we can to support every community that we serve.

I want to take a moment to thank you, our customers as well. Thank you for your kindness and patience, both to our stores teams and to each other, as we navigate these uncharted waters. One of the most important things we can do during a time like this is to be kind and considerate of others. Our store members are working diligently to serve you and your kind words of appreciation mean a great deal.

As we work diligently to obtain the needed groceries and restock our stores, I encourage each of you to shop responsibly by taking only what you need to get by. The unprecedented demand has put a strain on the food supply chain these last few weeks nationwide. If we all just take what we need, it will be easier to provide for all.

Finally, I would like to thank all Bashas' Family of Stores members for their heroic efforts these last weeks. At Bashas', we call our employees members, because they really are part of our family. These incredible individuals go above-and-beyond every day to ensure our community is taken care of, that our stores are clean and safe and we all owe them a great deal of thanks!
